Dear friends and supporters,

Thank you so much for your interest in sponsoring the Gjergj Kastrioti Scholarship Fund Fundraising Gala. The Gala will be held at Petruzzello's in Troy, MI on Saturday, February 10th, 2024 at 7:00pm.

The Gjergj Kastrioti Scholarship Fund is a **501 (c)(3) non-profit organization (EIN: 38-3578998)** founded in 1999 with the following mission: *support Albanian-American youth in their pursuit of higher education by providing scholarship support*. It was founded by a group of Albanian-American university graduates who wanted to make a difference and give back to the community they loved so much.

In the past 25 years, The Gjergj Kastrioti Scholarship Fund has **awarded 190+ scholarships and raised over \$400,000**. The proceeds of the event will be used to support Albanian-American scholars in the state of Michigan who are pursuing a four-year degree in one of our state's colleges and universities.

Donations can be made either online at www.gksfund.org or by check. We look forward to celebrating with you on February 10th, 2024. As always, if you have any questions or concerns, please do not hesitate to contact the undersigned.

2024 APPLICANTS PROFILE

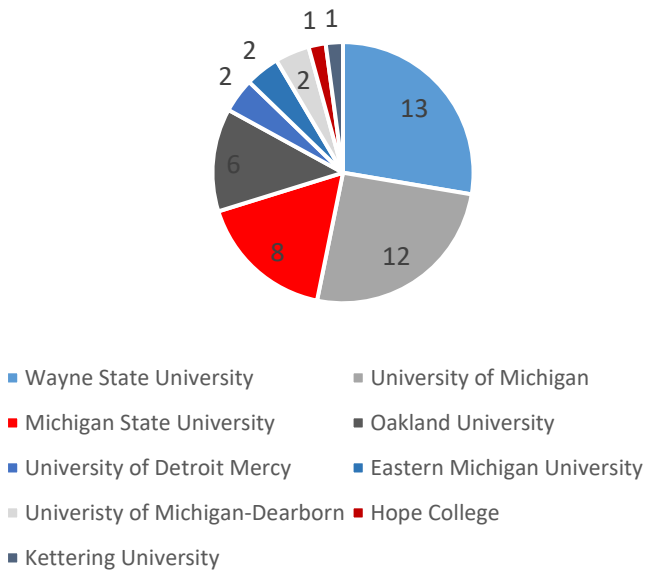

In the past 25 years, The Gjergj Kastrioti Scholarship Fund, a **501 (c)(3) non-profit organization (EIN: 38-3578998)**, has awarded 190+ scholarships which total over \$400,000. The legacy of promoting proactive philanthropy and community development continues and we seek your help in raising funds so we can support even more Albanian-American students as they pursue a college degree.

This year we received a total of 48 applications from students studying different majors all over the state. We hope to give out as many scholarships as possible to continue to support the community and those who wish to further their education.

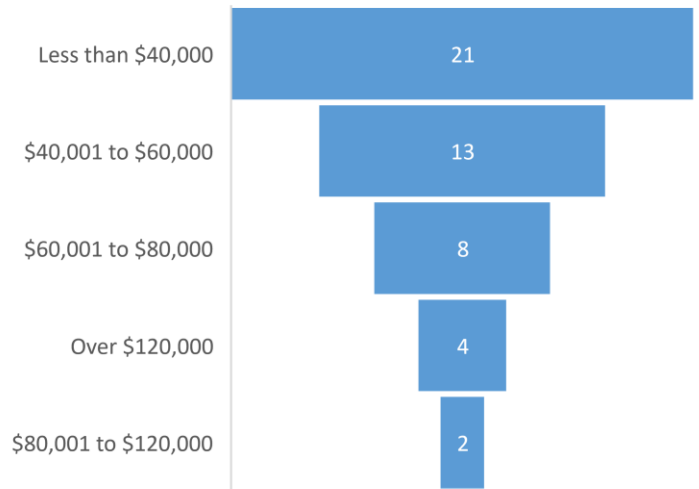

Furthermore, we are working to create a long-lasting legacy within our community by creating a self-sustaining Endowment Fund that will award scholarships for generations to come. An Endowment is a financial asset to provide a source of scholarships for future Albanian-American students, in perpetuity. Once the initial funds are raised, the Endowment generates annual interest which is used to fund the Scholarships awarded.

Below is a break down of the university, financial status and work study of the students who have applied to this year's scholarship fund. Please help make this event a memorable and successful one. Together, with your support, we can introduce the Albanian culture to the greater community as well as raise funds for this important organization every year. Your contribution means a great deal to us.
